

## THE ICELANDIC® SEAFOOD DIFFERENCE

Icelandic® Seafood is the leading brand of premium quality seafood in the foodservice industry featuring best-in-class frozen fillets and a broad lineup of innovative, value-added solutions. Our extensive catalog of natural fillets is sourced from the pristine waters near Iceland, as well as other major fishing grounds worldwide. We offer some of the best-known, in-demand and value-added products in the marketplace today, like Brewers Choice®, Big Bob's Belly Buster® and Redhook® Beer Battered Seafood. Our premium products, in core species such as Cod, Flounder, Shrimp and Scallops, represent the gold standard for classic battered and breaded applications and a whole lot more. For unmatched seafood taste, quality and consistency, Icelandic® Seafood is the brand of choice.
